SPRING SCIENCE FAIR

The annual Science Fair for grade school students will be Thursday, May 19th. The PFA will be holding a silent auction and raffle. **We are looking for volunteers and item donations.** If you would like to help please contact Elise Johnson (898-4864 elisemj@msn.com) or Nicki Anderson (585-3382 themandersons@juno.com).

Your support is appreciated! This year the PFA has been able to award a grant to the Robotics team, purchase vacuums for the classrooms, and build a wonderful Snack Shack facility. Future plans include the funding of extracurricular activities and supplies, classroom enrichment opportunities and community building activities with our amazing VCS families. Contact Elise or Nicki with your donations today!

TEACHER BASKETS

Fill those baskets!

Your student's teacher is collecting items to fill a themed basket for the Spring auction on May 19th. Funds from the baskets will go directly to the classrooms as teachers prepare their rooms for the upcoming year. Thanks, in advance for your support!

ROARING SPRINGS

VCS Roaring Springs Family Day is June 24th. The PFA is offering discounted tickets for \$18.95 incl. tax. (Normal price at the door: \$27.99 per ticket) You will be able to use the free ticket that your student is earning through the reading program. Keep your eyes peeled for more information and plan on joining us for some fun in the sun!

WHAT A GREAT YEAR!

We would like to thank all of the people that have made this academic year a HUGE success! Your devotion to Vision Charter School faculty, students, and families has been appreciated in so many ways! Please consider joining us next year. We will have information available during the Science Fair on May 19th and during "Meet the Teacher" on August 15th & 16th.

The Vision Charter School PFA is the Parent Faculty Association. We help organize fundraisers, events, and fun activities to support the amazing teachers and students at VCS. Funds generated are used to:

- offer grants to teachers/clubs,
- support physical education,
- provide specialty speakers or assemblies,
- promote community building among parents, students and staff
- save for long term school projects

We need you to make the upcoming year another success story!
