

# Attention “Art Specialists”

Vision Charter School values the arts, and will integrate art education with core curricula throughout the school year.

You can help! We are seeking volunteer “Art Specialists” who enjoy helping with classroom art projects. Art Specialists need not be professional artists; just someone who enjoys doing art with children. We welcome the involvement of parents, family members, and our community. Teachers appreciate help, and students are enriched by your contribution. Teachers will contact individual Art Specialists (in advance) as needs arise. Dates/times will vary.

For further information, contact Kirsten Dyer 585-2201 [kidyer@msn.com](mailto:kidyer@msn.com). Sign-up on our school website [www.visioncharter.net](http://www.visioncharter.net) -or- mail this form to Vision Charter School, P.O. Box 1024, Middleton, ID 83644. **Thank you!**
